1. General Information

Instructor: H. K. Dai
Teaching Assistant: [refer to class Webpage]
Office Location: Mathematics, Statistics, and Computer Science Building
Room 209
Office Hours: Monday/Wednesday 12:00 – 1:00 via email
Office Phone: 744-7207
e-mail Address: dai@cs.okstate.edu

2. Course Description in Current University Catalog

CS 3513: Numerical Methods for Digital Computers. Prerequisites: MATH 2153 (Calculus II); MATH 3013 (Linear Algebra) or concurrent enrollment; or MATH 3263 (Linear Algebra and Differential Equations) and knowledge of programming. Errors, floating point numbers and operations, interpolation and approximation, solution of nonlinear equations and linear systems, condition and stability, acceleration methods, numerical differentiation and integration.

3. Course Materials and References

2. References and Supplementary Materials (suggested in previous offerings by J. P. Chandler):

Software available from:
http://gams.nist.gov/
http://www.netlib.org/
http://archives.math.utk.edu:80/

3. Class pages (http://www.cs.okstate.edu/~dai/course/CS3513/2020spring/2020spring.html), and also on Canvas course Website.

4. Homework and Examinations

There will be about 5 homework/programming assignments and 1 final examination (date/format will be announced).

5. Course Grade

The course grade is based on the homework (50%) and final examination (50%). The passing letter-grade is determined by the following partition of the course grades:

D : [50, 60); C : [60, 70); B : [70, 85); and A : [85, 100]

6. Miscellaneous

1. Lectures: Lectures are not mandatory, but historically, students with active attendance have done significantly better on examinations than their less frequently attending classmates.

2. Lecture Notes: Beginning from March 23, 2020, lectures notes will be released on this class Web site and on Canvas - course Website.
3. **Homework**: Problem sets form an important part of the learning in the course, and thus, you are required to do them in order to pass.

4. **Collaboration**: You are encouraged to collaborate in study groups on the solution of the homework. If you do collaborate you must write up solutions on your own *independently* and acknowledge your collaboration in the write-up for each problem. If you obtain a solution with help (e.g., through library work, another student, etc.), acknowledge your source, and write up the solution on your own.

**Notes**: Read relevant documents/guidelines about academic integrity at Oklahoma State University in Academic Integrity Resources at the following URL:
https://academicintegrity.okstate.edu/

7. **Student Disability Services**
Student Disability Services and other Student Services are committed to providing support services to students with physical and learning disabilities. Please advise the instructor of desired academic accommodations, and notify Student Disability Services.

8. **Academic Dishonesty or Misconduct**
Refer to the section in “University Academic Regulations” in current “University Catalog”
(http://registrar.okstate.edu/)

9. **Adding/Dropping/Withdrawing, Important Dates, and Syllabus Attachment**

1. **Final Examination**: The date/format of our final examination will be announced later.

2. **Adding/Dropping/Withdrawing and Important Dates**: Refer to the section in “Current Syllabus Attachment”:
http://registrar.okstate.edu/

3. **Syllabus Attachment**: Refer to:
http://academicaffairs.okstate.edu/content/resources-students
